END – FOREVER AUTUMN

Forever Autumn

*The summer sun is fading as the year grows old
and darker days are drawing near
the winter winds will be much colder
now you're not here*

*I watch the birds fly south across the autumn sky
and one by one they disappear
I wish that I was flying with them.
now you're not here*

*Like the sun through the trees you came to love me
like a leaf on a breeze you blew away*

*Through autumn's golden gown we used to kick our way
you always loved this time of year
loose fallen leaves lie undisturbed now
cos you're not here*

cos you're not here

cos you're not here

*Like the sun through the trees you came to love me
like a leaf on a breeze you blew away*

*a gentle rain falls softly on my weary eyes
as if to hide a lonely tear
my life will be forever autumn
cos you're not here*

cos you're not here

cos you're not here
